At Intelifi Inc. our strength has always been the provision of instant information on driving records also known as motor vehicle reports (MVRs). Our documents detail a history of violations, suspensions, and other information about a person's driving history. Driving records can be invaluable investigative tools for individuals and businesses.

Includes: Name, Address, City, State Zip, DOB, DL Issue Date, DL Expiration. May Include Status, Endorsement, History on Driver (Accidents, Suspensions, Violations, and More)

Report turnaround is based on past experience but is subject to change by State Motor Vehicle Departments, and delays due to communication and/or processing times. The chart represents only the State charges. It does not include service fees and/or charges incurred by our service. Prices subject to change without notice.
